#### Integrated BS-MS (Interdisciplinary Sciences)

#### **Entry/Exit and Degrees to be Offered**

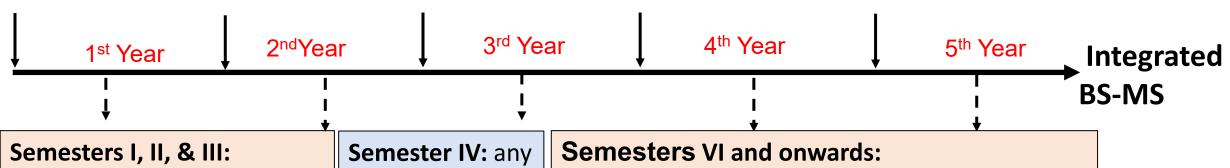

### Integrated BS-MS (Interdisciplinary Sciences)

# **Types of Courses**

Core Discipline Groups (CDG)	Elective Discipline Groups (EDG)	Computer Science Courses	Interdisciplinary Open Elective Courses (IDOE)
CDGs consist of Major Disciplines, and once dropped in a semester, cannot be opted for in subsequent semesters.	EDGs consist of Major Disciplines out of which the students will choose one or more.	Different levels of compulsory and optional Computer Science courses will be offered in each semester.	A wide range of 2-credit IDOE will be offered in Languages / Social Sciences / Economics / Law / International Relations / Management / Arts & Design / Music, etc.

## **Course Outline**

- All four core domain subjects (PCMB) will be taught.
- Computer Science courses will be offered in the 1<sup>st</sup> and 2<sup>nd</sup> semesters as compulsory courses.

**Semester IV:** any three CDGs out of the four.

**Semester V:** any two CDGs out of the three.

Only one CDG out of the two will be selected for further study.
