**Clarification on the Revised Merit List – PhD Mathematics Programme (Entrance Test Mode)**

Following the publication of the original merit list on 23<sup>rd</sup> June 2025 (9:00 pm), a technical error was identified in the Merit List of PhD Mathematics Programme during internal verification on the morning of 25<sup>th</sup> June. The list was promptly withdrawn, the affected candidates were informed individually, and a revised merit list (through corrigendum) was published on the same day - prior to any fee payment by candidates. We deeply regret the inconvenience caused.

South Asian University remains committed to conducting a fair, transparent, and regulation-compliant admission process. Measures are being taken to prevent such errors in future admission cycles.
